

C University of Missouri, School of Mines and Metallurgy Papers, 1870-1948  
3110 8.2 linear feet

This collection is available at [The State Historical Society of Missouri](http://The State Historical Society of Missouri). If you would like more information, please contact us at [shsresearch@umsystem.edu](mailto:shsresearch@umsystem.edu).

#### INTRODUCTION

Records of the school from the formative years, including financial, student, political, and executive papers. Also contains papers documenting the school's relationship with the U.S. Public Works Administration and U.S. Work Projects Administration.

#### DONOR INFORMATION

The papers were donated to the University of Missouri by the School of Mines and Metallurgy in April 1964 (Accession No. 3642).

#### SCOPE AND CONTENT NOTE

The papers have been arranged into the following five series: **Administrative Papers; Athletic Association; U.S. Public Works Administration; U.S. Works Progress Administration; and Financial Books.**

Several abbreviations are used in these papers. They are as follows:

- *Board*: Board of Curators of the University of Missouri
- *University*: University of Missouri
- *School*: University of Missouri, School of Mines and Metallurgy at Rolla, Missouri
- *Executive Committee*: Executive Committee of School of Mines and Metallurgy at Rolla

For more complete series descriptions, please see folder list.

#### FOLDER LIST

##### **Administrative Papers Series**

- f. 1 1870. Bids on building Missouri School of Mines and Metallurgy. Letter relating resolutions of Board of Curators regarding Missouri School of Mines.
- f. 2-4 1871. Bids, business papers, Board of Curators resolutions, replies to invitation to School of Mines opening on 23 Nov. 1871.
- f. 5-13 1872. Bids, business papers such as bills, checks, packing lists.
- f. 14 1872. Letter relating proceedings of Board of Curators of the University of Missouri.
- f. 15-23 1873. Business papers: bills, receipts, checks, lists. Same drafts against Director C.P. Williams for School's non-payment.
- f. 24 1873. Papers dealing with hiring and Board of Curators of the

- University of Missouri meetings. Also letters of the legal case regarding the selling of bonds for School of Mines.
- f. 25 1874. Business papers such as bills, receipts, lists, statement on bond issue.
- f. 26 1874. Bonds case, Board of Curators of the University of Missouri meetings, building plans and letter from U.S. Secretary of War.
- f. 27-28 1875. Business papers such as bills, expense lists, checks, receipts
- f. 29 1875. Letters pertaining to legislation toward education.
- f. 30-32 Correspondence between James Rollins, E.H. Hesse, and W.E. Glenn.  
1876. Business papers: bills, receipts, lists, and classroom chemistry fee slips.
- f. 33 1876. Letters, including one which is a report of student "cadet battalion"
- f. 34-35 1877. Business papers: bills, receipts, list, classroom chemistry fees.
- f. 36 1877. Legislative bill regarding Board of Curators; J.W. Abert's resignation from faculty.
- f. 37-38 1878. Business papers: bills, receipts, lists and student tuition receipts
- f. 39 1878. Treasurer of School of Mines' report. Agent's report.
- f. 40-41 1879. Business: Bills, receipts, lists, student tuition receipts.
- f. 42 1879. Executive Committee of School of Mines and Metallurgy-Rolla.
- f. 43-44 1880. Business papers: bills, receipts, lists and student tuition receipts.
- f. 45 1880. Letters, lists of students paying tuition, letter of resignation from faculty.
- f. 46-47 1881. Business papers: bills, receipts, lists, tuition receipts.
- f. 48 1881. School of Mines Treasurer's Reports.
- f. 49-51 1882. Business papers: bills, lists, receipts.
- f. 52 1881. Letters, Treasurer's reports, tuition, lists.
- f. 53-54 1883. Business papers: bills, receipts, tuition lists.
- f. 55 1883. Letters, resolution of Executive Committee of School of Mines and Metallurgy at Rolla, Missouri, Treasurer's report, tuition list.
- f. 56-57 1884. Business papers: bills, receipts. Also tuition list.
- f. 58 1886. Catalogue of School of Mines Chemistry Laboratory.
- f. 59 1890. Letter from National Bank of Rolla. Minutes of Board of Curators meeting.
- f. 60 1893-1895. Letter book of School of Mines.
- f. 61-64 1893. Business papers: Letters, bills, receipts, contracts, lists. Includes list of Missouri minerals at world's Fair and contract for sidewalk at School of Mines.
- f. 65 1893. Executive Committee's list of departmental activity.
- f. 66-70 1894. Business papers: bills, receipts, contracts.
- f. 71-72 1894. Executive Committee's letters and business. Leaves of absence, receipts.
- f. 73-74 1895. Business papers: receipts, contracts, bills
- f. 75-77 1895. Executive Committee: questionnaire, bonds, minutes of Board of Curators meeting, complaint against Director W.B. Richard, resignation of Executive Secretary, H.H. Hohenschild, rules for student

- club/boardinghouse.
- f. 78 1895-1898. Letterbook of School of Mines.
- f. 79 1896. Requisitions for class equipment.
- f. 80 1896. Executive Committee: budget, letters. Also a written oath by a student/instructor not to drink during the school year.
- f. 81 1897-1898. Requisitions and order lists.
- f. 82 1898. Budget and letter of resignation.
- f. 83 1899. Two letters of resignation sent to Executive Committee.
- f. 84 1900. Letters of resignation and application to School of Mines staff.
- f. 85-86 1901. Contracts, bonds, architectural changes.
- f. 87 1901. Executive Committee minutes of Board of Curators, meeting, letters.
- f. 88-91 1902. Contracts, bids, bills, business letters.
- f. 92 1903. University Attorney, Noah Givan's monthly report. Letters.
- f. 93-97 1903. Business letters, contracts, bids, bills, reports, specifications.
- f. 98-99 1904. Executive Committee reports; minutes of Board of Curators meeting; Petition by students for a Young Men's Christian Association chapter.
- f. 100 1905. Legal opinion on possible conflict of interest of Director of School of Mines; financial reports; requisitions.
- f. 101 1906. Letters, contracts--including the contract between the University of Missouri and William F. Switzler for his history of Missouri.
- f. 102-103 1907. Contracts and letters. Building contracts. Minutes, Board of Curators meeting.
- f. 104-105 1908. Executive Committee. Letters concerning building contracts. Minutes of Board of Curators meeting. Letters from University President A. Ross Hill.
- f. 106-107 1909. Executive Committee letters. Minutes of Board of Curator meeting. Contracts. Letters from University President Hill and former School of Mines Director Ladd.
- f. 108 1910. Architect's report. Building contract. Letter from University President Hill clarifying professors' resignations and leaves of absence.
- f. 109 1911. Contracts. Bond.
- f. 110 1911. Programs from School's 40th anniversary celebration.
- f. 111-112 1912. Petition of Student Body for athletic fee. Letters from State Auditor, architects. Newsletter and newspaper of School.
- f. 113 1912. U.S. Interior Department, Bureau of Mines. Letters.
- f. 114-115 1913. Architect's letters. Contracts. Letter from Isidor Loeb about Missouri Industrial Institute. Student petition to fire "incompetent" professor. Professor's reply.
- f. 116-119 1914. Building contracts. Bonds. Extension of time for building. Letters about Missouri Industrial Institute.
- f. 120-126 1915. News clippings regarding Buford Act. List of Missouri appropriations for education. Catalogue of School (unauthorized issue.) School curriculum. Correspondence of School faculty and University President. Contract. Bonds, Architect's reports. Blueprint.

- f. 127 1915. U.S. Interior Department, Bureau of Mines. Letters beginning association with School.
- f. 128 1916. News clippings about Buford Act. Ads for School. Report on new grading system.
- f. 129-130 1916. U.S. Interior Department, Bureau of Mines. Letters. Report.
- f. 131 1917. Preparations for School's 50th Anniversary celebrations. Interpretation of taxes.
- f. 132 1917. U.S. Interior Department, Bureau of Mines. Correspondence regarding placing an Experiment Station at the School.
- f. 133 1917. Hazing incident of Philip Colbert at School. (Ended hazing there).
- f. 134 1918. Correspondence. One letter regarding administrative difficulties between Rolla and Columbia.
- f. 135-141 1918. U.S. Interior Department, Bureau of Mines. Correspondence regarding proposed Experiment Station at School. Includes a Justification.
- f. 142-144 1919. U.S. Interior Department, Bureau of Mines. Correspondence and papers regarding Experiment Station at School.
- f. 145 1919. School correspondence. Includes list of appropriations for School and description of the School for the Missouri Official Manual.
- f. 146-150 1920. School correspondence. Includes index to filing system; proposal for Chemistry Building; list of School's graduates, 1874-1904; professors' appropriation requests; student petition for day off to see Washington University game.
- f. 151-153 1920. U.S. Interior Department, Bureau of Mines. Correspondence regarding Experiment Station; reports; letters about trips to discuss Experiment Station.
- f. 154-158 1921. School Correspondence and papers. Petition by students to retain a student. Graduate assistant appointments; letters regarding degrees, military and vocational education, and 50th anniversary of School. Also a list of 1920 students and their addresses. A complaint filed by the Women's Christian Temperance Union of Rolla regarding an "immoral" dance at the School.
- f. 159-160 1921. U.S. Interior Department, Bureau of Mines. Letters regarding Experiment Station in Rolla.
- f. 161-162 1921. School correspondence. Includes University Registrar's inquiry about School enrollment, appointment of professors, applications for scholarships, and appropriations for School.
- f. 163 1921. U.S. Interior Department, Bureau of Mines. List of employee wages and proposed subjects to be studied. Reports on zinc smelting.
- f. 164 1921. School correspondence. Appropriation bill and its riders preventing release. Hiring of graduate assistants. Commencement. Applications for positions.
- f. 165 1921. U.S. Interior Department, Bureau of Mines. Building plans. Report of Station's activities.
- f. 166-167 1921. School correspondence. Plans for Mrs. Newton R. Wilson

- Scholarship; wages for assistants.
- f. 168-169 1921. U.S. Interior Department, Bureau of Mines. Reports on zinc. Contract between University of Missouri and U.S. Interior Department.
- f. 170-171 1921. School correspondence. Applications for admission. Request of Governor Hyde to release appropriations. Military and vocational education.
- f. 172 1921. U.S. Interior Department, Bureau of Mines. Reports. Letters concerning appropriations. Appointments to positions and scholarships.
- f. 173-174 1921. School Correspondence. Applications for jobs and admission. Purchase requests: Memos for new library, more staff.
- f. 175 1921. U.S. Interior Department, Bureau of Mines. Letters concerning contract between University of Missouri and Interior Department and office space reports.
- f. 176-177 1921. School correspondence. Request for motion pictures. Applications for scholarships. List of equipment lost in theft. University attorney's opinion as to School's need for liability insurance. Assayer's report. Appointment to position. Statement on aims of education.
- f. 178 1921. U.S. Interior Department, Bureau of Mines. Obtaining office space in Missouri
- f. 179-188 1921. School papers: applications and notifications of fellowships. Preparations for School's 50th anniversary. Picture book of Camp A.A. Humphreys, Virginia (for mining engineers). List of Vocational Education staff. 50th anniversary tentative program and preview of speech. Appropriations. School's article in Official Manual of Missouri. Report on State Federal Soldiers Home. Scholarship rules. Report on mining education. American Field Service American Mining Congress. Recommendations for architects.
- f. 189 1921. U.S. Interior Department, Bureau of Mines. Recommendations for C.Y. Clayton as advisor. Contract of University of Missouri and U.S. Interior Department monthly reports.
- f. 190-193 1921. School papers. School's 50th anniversary programs, catalogue, address, photograph, and list of those alumni attending zinc extracting. Alcohol permit. Recommendation for coach. Board of Curators action regarding sabbaticals. Wages for assistants. Poem for General Foch. Appropriations. Bond. *Missouri Miner* athletic supplement.
- f. 194 1921. U.S. Interior Department, Bureau of Mines. Reports on station activities. Building plans. Superintendent's meeting. Study of zinc.
- f. 195-196 1921. School papers. Proposed salary increases for faculty. Completion of University catalogue. Vocational education and assistant's wages.
- f. 197 1922. U.S. Interior Department, Bureau of Mines. Monthly reports. Zinc studies. Building plans. Meeting on zinc.
- f. 198-199 1922. School papers. Appropriations. Scholarships. Report of Student Advisor--a summary of his work. Vocational and military

- education. Transcript of Scholarship recipient.
- f. 200 1922. U.S. Interior Department, Bureau of Mines. Reports. Building plans.
- f. 201-204 1922. School papers. Attempt to get coach. Military education. Application for scholarships. Attempts to obtain Commencement speaker. Advertising for building bids. Vocational Education wages. Military and vocational education letters. Death of Ex-Director Austin Lee McRae. Commencement programs, rules, and music list.
- f. 205 1922. U.S. Interior Department, Bureau of Mines. Preparation for Superintendents' meeting. Building plans. Monthly station reports.
- f. 206-211 1922. School papers. Library and vocational education assistants. Honorary degrees, athletic fees and expenses. Notes on American dormitory regulations. Commencement programs, announcement, floor plan, address. List of gown colors of American universities. List of degree candidates. Arrangements for "lantern slide" show.
- f. 212 1922. U.S. Interior Department, Bureau of Mines. Monthly station reports. Architects' plans. Resignation of fellowship.
- f. 213-217 1922. School papers. Costs of Alumni Association. Graphs of School's expenses. Salary of vocational education staff. Protest against proposed Tariff Bill. Description of hardening-drill steel. Address by Director Fulton at Cuba, Missouri High School regarding geologic history.
- f. 218-221 1922. U.S. Interior Department, Bureau of Mines. Monthly station reports. Building plans. Contracts. Bids. Bonds. Correspondence with architects. University attorney's legal interpretation regarding payment.
- f. 222-224 1922. School papers. Applications for fellowships. Appointments to positions. Appropriations discussions. Report of oil field trip to Tulsa, Oklahoma. Letters regarding contract with U.S. Veterans Bureau.
- f. 225 1922. U.S. Interior Department, Bureau of Mines. Monthly station reports. Contract with University of Missouri.
- f. 226-228 1922. School papers. U.S. Veterans Bureau correspondence regarding rehabilitation program. Letters regarding zinc processing. Applications for positions.
- f. 229 1922. U.S. Interior Department, Bureau of Mines. Monthly reports. Architects' letters. Detailed description of School's deep well.
- f. 230-231 1922. School papers. Zinc processing. U.S. Veterans Bureau problem with veteran at School of Mines, and decision to discuss him.
- f. 232 1922. U.S. Interior Department, Bureau of Mines. Monthly reports. List of building costs. Contract between U.S. Interior Department and University of Missouri. Applications for fellowship.
- f. 233-235 1922. School papers. Zinc study. Vocational education salaries. Resignation of Professor Charles Cooke. Appointment of fellowships and professors. Appropriations. Application for positions. Lists of student help. Search for lecturer. Letter from Wallace Coal Company protesting professor's attempt to buy coal. Rules on Freshman Week.

- f. 236 1922. U.S. Interior Department, Bureau of Mines. Monthly reports. Order for supplies. Discussion of electrical wiring.
- f. 237-239 1922. School papers. List of School's budget needs. Appointment of professor. Zinc studies. Vocational education. Solicitation from fund-raising organization.
- f. 240-241 1922. U.S. Interior Department. Bureau of Mines. Monthly reports. Architect's reports. Assayer's report. Blueprints.
- f. 242-243 1922. School papers. Count of engineering department students. Zinc studies. Reports. School budget. Applications for jobs.
- f. 244-245 1922. U.S. Interior Department, Bureau of Mines. Monthly reports. Architect's reports and plans. Needs of School.
- f. 246-248 1922. School papers. Student petition regarding terms of degrees. Recommendation for employment. Application for jobs. Request for funds from Negro college in North Carolina. Treasurers' reports from several colleges. Vocational Department's payroll. Budget.
- f. 249-251 1922. U.S. Interior Department, Bureau of Mines. Monthly report. Recommendation for employment. Zinc studies. Report of "reducing minimal waste in Wisconsin zinc district."
- f. 252-258 1922-1923. School papers. List of professors and their publications. School budget. Job applications. Invitations to speak at School Commencement. Assay report. Notice of appointment. List of student help. Appropriations. Dismissal of U.S. Veterans Bureau Student in Vocational rehabilitation for assault. Alumni association.
- f. 259 1923. U.S. Interior Department, Bureau of Mines. Monthly report. Correspondence regarding Professor Clayton's trip to New York for the American Institute of Mining Engineers conference.
- f. 260-262 1923. School papers. Alumni Association's attempt to aid in getting appropriations. Article on economic principles of engineering. Zinc studies. Gold assay. Preparation for honorary degrees. U.S. Veterans Bureau rehabilitation program with vocational department. Report on mining in Cuba. Student's complaint about a bill already paid.
- f. 263-264 1923. School papers. Appropriations. U.S. Veterans Bureau rehabilitation program. Recommendations for improving mining education. Professor's resignation. Commencement preparations. List of Rolla choirs. Zinc studies. Appointment to position. Recommendations for honorary degrees.
- f. 265-266 1923. School papers. Recommendations for honorary degrees. Appropriations. Report of Senior Trip to Oklahoma oil fields. Thank-you notes to legislators and University Attorney for efforts in appropriations.
- f. 267-269 1923. School papers. U.S. Veterans Bureau rehabilitation program. Zinc studies. Appropriations. Request for legal opinion on payment of salary and settlement. Assay report. Candidates for degrees. Recommendations for positions. Need for repair of school trucks.
- f. 270-271 1923. School papers. List of student assistants. U.S. Veterans Bureau students. Commencement play and dance program, invitations,

- procedure. List of salaries. Notification of raises; job list; resolution of Assembly regarding appropriations.
- f. 272-273 1923. School papers. U.S. veterans Bureau rehabilitation. Proposed trip of Director to Alumni Association in Tulsa. Department budgets.
- f. 274 1923. U.S. Interior Department, Bureau of Mines. American Institute of Mining Engineers Conference. Monthly reports. Architect's reports. Building costs.
- f. 275-277 1923. School papers. Furnace blueprints. U.S. Veterans Bureau. Legal opinion on wages. Repair orders. Building specifications. Bids on building. Zinc studies. Application for job. Field trip to School by Journalism students from University of Missouri. Petition from foreign students in Germany.
- f. 278 1923. U.S. Interior Department, Bureau of Mines. Monthly reports. Architect's reports.
- f. 279-283 1923. School papers. Report of Board of Curators meeting. U.S. Veterans Bureau. Zinc studies. Index to files. Request and denial for diploma. Bond. Legal opinion on payments. Reserve Officer Training Corps memo. Proposed Executive Committee meeting. School budget and salary schedule. Enrollment. Letter from James T. Blair, Jr.'s mother regarding his enrollment in School of Mines and possible financial aid.
- f. 284 1923. U.S. Interior Department, Bureau of Mines. Monthly reports. Builder's bill--correspondence regarding payment.
- f. 285 1923. School papers. Letter from railroad company about students stealing rides on freight trains. Notice of School's recognition by New York schools. Inauguration of University of Missouri President Stratton D. Brooks.
- f. 286-287 1923. School papers. Committee to study degrees. Board of Curators resolution to not hire family members of faculty. Inquiry to *Who's Who in America*. Rule of University of Missouri not to allow faculty to obtain a higher degree at University. Reservations for Brooks' inauguration. Zinc studies.
- f. 288-289 1923. School papers. Letters between Director Fulton and Isidor Loeb about status of School of Mines at inauguration. Alumni Association. Application for job. Recommendations for *Who's Who*. Zinc studies. Notice of death of ex-Director Charles E. Wait.
- f. 290 1923. School papers. Needs of Civil Engineering and Geology Departments. Price lists. Zinc studies. Proposed summer school. U.S. Treasury Department, Public Health Service's desire to have trachoma investigation in Missouri.
- f. 291 1923. U.S. Interior Department, Bureau of Mines. Monthly reports. Scholarships. Inspection of Rolla's Bureau building. Builder's guarantee.
- f. 292 1923. School papers. Index to files. Description of School and its buildings. Duties of student advisor and registrar. List of faculty. Student council resolutions.

- f. 293-297 1923. U.S. Interior Department, Bureau of Mines. No date. Zinc reports. Blueprints. Specifications for building.
- f. 298 1924. School papers. Electrical Engineering Department budget. List of student help and wages. U.S. Treasury Department, Public Health Service's request to have trachoma investigations. Board of Curators meeting.
- f. 299-304 1924. School Papers. Department requests for student help. Complaint by U.S. Veterans Bureau of losing supplies at Rolla. Summer school plans. Bank note. Alumni Association. Applications. Applications for jobs. Department budget allotments. Offer from U.S. War Department to furnish School with display guns used by U.S. troops in World War I. Program of summer school.
- f. 305-306 1924. School papers. Zinc studies. Letters from U.S. War Department regarding display guns. Appointment of faculty committee to study physical education. Appropriations. Discussion about graduate studies and status between University of Missouri-Columbia, and School of Mines. Recommendations for fellowships. Reserve Officer Training Corps. Zinc studies.
- f. 307-310 1924. School papers. Zinc reports. (Possibility of Director Fulton going to Norway to work on it). Commencement speaker preparations. Applications for jobs; leaves of absence. Regulations for student organizations. Application for alcohol permit. Disciplinary action regarding a dance at the School.
- f. 311-312 1924. School papers. Report on national meeting of college registrars. Protest of budget cuts. More disciplinary action regarding dance. Zinc studies. Disciplinary action regarding cheating.
- f. 313 1924. U.S. Interior Department, Bureau of Mines. Monthly reports. Bonds for contractors.
- f. 314-318 1924. School papers. U.S. Veterans Bureau. Military education. Commencement program. Disciplinary action regarding the drinking of alcohol at Commencement dance. Expenses of Vocational Department. Zinc report. List of mining men available for jobs.
- f. 319-322 1924. School papers. Applications and recommendations for jobs. Correspondence to find a professor. Reserve Officer Training Corps conference. Selection of professor.
- f. 323 1924. U.S. Interior Department, Bureau of Mines. Monthly reports. Reports of studies at Rolla station. Graduate assistant appointments.
- f. 324-330 1924. School papers. List of year's lectures and entertainment. Correspondence with University of Missouri regarding housing of campus military director. Report of theft. List of student help and wages. Rules for graduate students. Appropriations. News clippings of centennial at Rensselaer Polytechnic Institute of Troy, New York. Carnegie pensions. Honorary degrees. List of enrollment. Board of Curator minutes.
- f. 331 1924. U.S. Interior Department, Bureau of Mines. Monthly reports. Notification of assistantships. List of movies. Reports of studies at

- Rolla station.
- f. 332-335 1924. School papers. Department requests for allotments. List of faculty. Financial condition of School. Appropriations. Committee on engineering education. Enrollment lists.
- f. 336 1924. U.S. Interior Department, Bureau of Mines. List of publications. Monthly reports. Minutes of conference of deans and supervisors of stations. Reports of studies at Rolla station.
- f. 337 1924. No date. School papers. Index to files. Department needs. Salary report of University of Missouri. Geographic distribution of School students. Movie schedule. Shrubbery plan.
- f. 338 1924. No date. U.S. Interior Department, Bureau of Mines. List of publications. Drill steel report.
- f. 339-341 1925. School papers. List of faculty. Appropriation. Department needs. Military education. Summer School program. List of Missouri 53rd Assembly members.
- f. 342 1925. U.S. Interior Department, Bureau of Mines. Property list. Architect's letters. Monthly reports. Bonds. Movie list.
- f. 343-347 1925. School papers. Needs of School listed. Appropriations. Request for office space from Highway Department. Speech of alumnus. Student help and wages. Discussion of Carnegie pensions. List of summer session teachers. Alumnus' commentary on engineering. List of zinc smelters in U.S. Questionnaire by Society for the Promotion of Engineering Education.
- f. 348 1925. U.S. Interior Department, Bureau of Mines. Monthly reports and reports of studies at Rolla station.
- f. 349-352 1925. School papers. School's expenses. Appropriations. Attempts to find judge in Coal essay contest. Student help and wages. Questionnaire by Society for the Promotion of Engineering Education. Letters concerning manufacture of charcoal briquettes. Proposed reorganizing of library. Commencement preparations. Duties of Registrar and Student Advisor.
- f. 353 1925. U.S. Interior Department, Bureau of Mines. Reports of studies by fellows at Rolla station. Appropriations for Experiment Station. Zinc reports.
- f. 354-357 1925. School papers. Senior trip schedule. Voucher of teaching hours. Zinc studies. Complaint about public school children using school's golf and tennis courts. University catalogue corrections. Honorary degrees. Convention of Society for Promotion of Engineering Education. Commencement speakers. Charcoal briquette manufacture. Departmental budgets. Applications for fellowships.
- f. 358 1925. U.S. Interior Department, Bureau of Mines. Zinc reports. Reports of studies by fellows at Rolla station. Monthly reports.
- f. 359-362 School papers. University appropriations list. List of public lectures and entertainment. Bonds. Manufacture of briquettes. List of those with Jackling loans. Correspondence regarding ceramics. Change in military education director. Society for Promotion of Engineering

- Education committee on salaries of professors. Complaint on theft of light bulbs. Commencement speakers. Report on engineering education at School. Commencement program and schedule.
- f. 363 1925 U.S. Interior Department, Bureau of Mines. Studies report. Applications and recommendations for fellowships. Monthly report.
- f. 364-366 1925. School papers. Reserve Officer Training Corps correspondence. Donations of specimens by alumni. List of motion pictures. List of students who failed, dropped out, or were placed on probation by the School. Report on engineering education. Manufacture of briquettes. Extension courses.
- f. 367 1925. U.S. Interior Department, Bureau of Mines. Zinc report. Monthly report. Change of Bureau of Mines to Commerce Department by Presidential order. Recommendations for fellowship applicants.
- f. 368-369 1925. School papers. Proceedings of Reserve Officer Training Corps conference. Report of two School students who were involved in an armed robbery in Montana. Questionnaire by Case School of Applied Science.
- f. 370 1925. U.S. Commerce Department, Bureau of Mines. Monthly reports. Reports on studies of fellows at Rolla station.
- f. 371-376 1925. School papers. Manufacture of briquettes. Application and recommendation for job. Ceramics. Reserve Office Training Corps. Department budgets. Complaint about the President of Southwest Missouri State Teachers College. Student help and wages Appropriations. Appeal to Montana governor for amnesty for two School students.
- f. 377 1925. School papers, Recommendations. Letters regarding compulsive military training issue at University of Missouri, Columbia. Article on mining written for *Christian Science Monitor*. Geographic distribution of students.
- f. 378 1925. U.S. Commerce Department, Bureau of Mines. Report of studies of fellows at Rolla station. Zinc studies. Monthly report.
- f. 379-380 1925. School papers. Enrollment figures. Faculty committees list. Ceramics. Article for *Christian Science Monitor*. Student petition for a holiday. Extension mileage figures. Department budgets.
- f. 381 1925. U.S. Commerce Department, Bureau of Mines. Monthly reports. Reports of studies by fellows at Rolla station.
- f. 382-383 1925. School papers. Commencement preparations. Ceramics meeting and proposed courses in it. Doctor's report. Zinc. Survey on hospital service for students.
- f. 384 1925. U.S. Commerce Department, Bureau of Mines. Monthly reports. Reports of studies by fellows. Zinc.
- f. 385-390 1925-1926. School papers. List of graduates and their senators and representatives. Motion picture schedule. Department budgets; requests. List of lectures. Geographic distribution of students at School. Appropriations. Ceramics preparations. Extension classes. Proposed program with School at WOS Radio Station in Jefferson City,

- Missouri. Society for Promotion of Engineering Education's report and questionnaire on costs of education.
- f. 391 1926. U.S. Commerce Department, Bureau of Mines. Monthly reports. Studies of fellows at Rolla station reported. Correspondence regarding School Director Fulton's trip to the East.
- f. 392-397 1926. School papers. Report of student advisor. Student help and wages. Medical report. Radio program.
