This collection is available at [The State Historical Society of Missouri](http://The State Historical Society of Missouri). If you would like more information, please contact us at [shsresearch@umsystem.edu](mailto:shsresearch@umsystem.edu).

#### INTRODUCTION

The lantern slides consist of images of elevations, plans, perspective drawings, and photographs of the new Capitol in Jefferson City, built to replace the one destroyed by fire in 1911. The slides also include images of the murals, tapestries, and sculpture commissioned to decorate the building.

#### DONOR INFORMATION

The Missouri. Capitol, Photographs were donated to the University of Missouri by Lawrence T. Rugolo on 22 June 1965 (Accession No. 3623).
