

PRELIMINARY INVENTORY
ACCESSION CA6296
TEDROW, JOHN C.F., PAPERS, 1941-2010

This collection is available at The State Historical Society of Missouri. If you would like more information, please contact us at shsresearch@umsystem.edu.

Introduction

The John C. F. Tedrow Papers includes his research, writings, and correspondence regarding the history of soil sciences in America while working as a professor in the Soils Department at Rutgers University. The bulk of the papers include information on the soils of New Jersey and the arctic region.

Restriction

Donor retains copyrights he holds in the papers. Researchers are free to use and quote from any of the papers.
