BIOGRAPHICALSKETCH

Dr. Richard Leslie Lee was born on November 18, 1925 in Purdin, MO. A WWII veteran, he completed a BS in Agriculture and a MS in Journalism at the University of Missouri following his return from the war. He continued his studies at the University of Iowa, completing a PhD in Mass Communications.

Dr. Lee spent his career as an Agricultural Editor. He worked for the University of Missouri College of Agriculture as an assistant editor from 1954 until 1959, when he became editor for University of Missouri Extension. Although they are undated, Lee's county courthouse photographs likely were taken during his work and travels as assistant editor for the College of Agriculture. In addition to writing and publishing information about agriculture in Missouri, Lee's work included advising and mentorship for many agricultural journalism students. From 1967-1968, he served as president of the Agricultural College Editors (ACE). Lee retired in 1988 but continued part time work for the Commercial Agriculture program through 2009. He died in Columbia on March 3, 2011.
