Introduction

One folder

These records consist of a business study conducted by Pegasus Air Transport designed to assist in securing funds to implement an air cargo service in Kansas City, MO., ca. 1980-81.

Donor Information

This gift was received from the General Library at UMKC as accession KA0124 on January 21, 1982.

Historical Sketch

In June, 1980, Pegasus Air Transport, based in Kansas City, Missouri, began preliminary market research. The company had been formed but not incorporated in 1980 with a goal of providing air cargo service to an undetermined market area. Through the assistance of an air freight consulting firm, a market was identified including Fort Smith, and Fayetteville, Arkansas; Kansas City, Missouri; and Chicago, Illinois. The proposed air cargo service in this market area was not initiated.
