### HISTORY:

Founded in 1860 by the Reverend William Leftwich to protect the Christian morals of the enterprising young men moving to the bustling Town of Kansas, the YMCA of Greater Kansas City is a diversified organization serving persons of all ages, races, and religions with programs designed to build strong kids, enduring families, and solid communities. Through the four core values of caring, honesty, respect, and responsibility aspiring to enrich the spiritual, social, mental, and physical well-being of members, the organization strives to strengthen families through communication, collaboration, and instilling good values in children. To help children develop their fullest potential, the YMCA's pedagogy focuses on self-awareness, self-confidence, interpersonal relationships, values, academic achievement, physical skills, health, and nutrition.

Along with offering classes in fitness (aerobics, cycling, weightlifting, Yoga, Pilates, martial arts), sports (soccer, baseball, basketball, football), aquatics (swimming lessons, water volleyball, water fitness), the YMCA of Greater Kansas City offers various programs and special events for children (including child care, Kids Night Out), teenagers (in YMCA Teen Centers), and families (Family Fun Nights). Intent on expanding its values beyond its membership, the YMCA sponsors annual mission campaigns providing financial assistance to underprivileged families throughout Greater Kansas City.

As of 2007, the YMCA of Greater Kansas City boasted a membership of over 79,000, with branches in Blue Springs, Independence, Olathe (opened in 1992), Platte City, Bonner Springs, Lee's Summit, Kansas City KS, Osawatomie, Prairie

Village, Parkville, and Raytown, in addition to several offices in Kansas City proper (Blue Springs, Clay-Platte, Linwood, Red Bridge, Cleaver Family, and Quality Hill).
