#### INTRODUCTION

The collection consists of two illustrated catalogues produced by the Buford and George Manufacturing Company. The contents of the catalogue pertain to saddlery and other equestrian accessories.

#### DONOR INFORMATION

The papers were donated to the University of Missouri by the Native Sons of Greater Kansas City on July 17, 1990 (Accession No. KA0590).

#### COPYRIGHT AND RESTRICTIONS

The Donor has given and assigned to the University all rights of copyright which the Donor has in the Materials and in such of the Donor's works as may be found among any collections of Materials received by the University from others.

#### INSTITUTIONAL SKETCH

Buford and George Manufacturing Company manufactured wholesale saddlery. They were located at 1311-1315 West 13<sup>th</sup> Street in Kansas City, Missouri.

#### SCOPE AND CONTENT NOTE

The collection has been arranged chronologically into two folders.

Folder one contains **Catalogue No. 6**, an illustrated catalogue for the general consumer for viewing items, seeing prices, and getting descriptions of products. Also included are prints depicting the manufacturing facility and the workers.

Folder two contains **Catalogue No. 7**, an illustrated catalogue intended for retailers purchasing items in bulk. There are accessories for saddlery like buckles, belts, braces, and combs along with how to purchase those items in gross.

Note that this collection has preservation concerns and many of the items suffer from red rot. The collection will be called for a patron at the discretion of The State Historical Society of Missouri-Research Center Kansas City.
