Introduction

Approximately 36 cubic feet, oversize

Family papers of Frank Courtney Wilkinson, attorney, banker, real estate businessman, and member of the Missouri House of Representatives. Included are notebooks, photographs, scrapbooks, memorabilia, correspondence, diaries, high school and college coursework, Navy publications and printed material used in son Frank Lee Wilkinson's training during World War II, and genealogical research and family history.

This collection provides outstanding insight into the activities and relationships of a local family during the first half of the twentieth century (the bulk of the records end in 1958). Most of the correspondence, except where designated, is between family members. Much high school and college coursework of Frank Lee and Nancy is part of the collection. Frank Lee's materials also include a large amount of Navy publications and printed material used in his training during World War II. Senator Wilkinson's materials include genealogical research and family history. Two boxes of his sister, Mary, contain further genealogy materials. It should be noted in order to avoid confusion that Frank C. Wilkinson later adopted the middle initial "L" like his father. Letters addressed to him at college still used the "C" but it appears he made the change once he went into business.

Frank Courtney Wilkinson was born in Kansas City, Missouri, on August 30, 1888, to Frank Lee and Johnette (Fuqua) Wilkinson. He attended Central High School, the University of Missouri, and Yale University, where he received his law degree in 1911. Wilkinson served in the Missouri House from 1915 to 1931, where he was the Democratic floor leader in his last year. He was elected to the Missouri Senate in 1944, where he served two terms. Wilkinson was a successful businessman, working as president of the Shryock Realty Company and president of the Swedish-American Savings and Loan Association. He also taught courses at the Kansas City School of Law for twenty-six years. Frank C. Wilkinson died of a heart attack on December 3, 1958.

Wilkinson married native Kansas Citian, Francis Shryock, on June 27, 1916. She was the daughter of Frank C. and Emma Shryock and had one sister, Marion. Marion attended the Abbot Academy in Andover, Massachusetts, and married Jack P. Chesney in 1928. Both Frances and Marion appear to have enjoyed the theatre and dance. Frank Shryock died in the fall of 1934, and Emma died shortly thereafter, in the winter of 1935.

Frank and Frances Wilkinson had three children--Janet, Frank Lee, and Nancy. Janet attended Stephens College in Columbia, Missouri, and the University of Kansas in

Lawrence, where she was a member of Chi Omega. She married Lt. Perry Sharp on July 1, 1945. She was remarried September 15, 1986 to Arthur Tichenor. Frank Lee, after his graduation from Westport High School, attended Park College in preparation for training as a naval aviator. He was subsequently stationed in Oklahoma, Iowa, and Texas. Frank Lee remained in the Naval Air Reserve as he attended UCLA, where he received a business degree and was a member of the Phi Gamma Delta (Fiji) fraternity. He came back to Kansas City, where he worked as a realtor for the Shryock Realty Company. In August of 1954, Frank Lee was killed in a training flight crash in Olathe, Kansas. Nancy also attended Westport High School, but graduated from the Barstow School. She attended Wellesley College for a year before transferring to the University of Kansas, where she was a member of Pi Beta Phi. She became Mrs. Hawley in 1955.

Related collection: K0553 Sharp Family Papers, 1845-2002.
