VILLAGE SHALOM COLLECTION**

This collection is available at The State Historical Society of Missouri Research Center-Kansas City. If you would like more information, please contact us at shsofmo-kc@umsystem.edu.

Introduction

Documents in this collection include scrapbooks, newspaper clippings, minutes of various committees, membership account books, photos, slides and architectural drawings of the buildings of Village Shalom. Scrapbooks also document activities of the Village Shalom Women's Auxiliary. The collection comprises approximately 14 cubic feet and oversize materials.

Donor Information

The collection was donated to the State Historical Society of Missouri by Village Shalom on 3/20/2014 (Accession No. KA2201).

Institutional Sketch

Village Shalom began with the chartering of the Moshav Zkeinim Home for the Aged Society in 1912. In 1919, a 14-room structure at 29th and Troost was donated to the Society by oil magnate Herman Appleman. The institution was renamed the Michael Appleman Home for Aged Jews. The facility went through several name changes throughout the years. In 1950, the Home for the Jewish Aged was located at 78th and Holmes, and it became Jewish Home for the Aged in 1967 to acknowledge the acceptance of non-Jewish residents. In 1970, the facility became the Jewish Geriatric and Convalescent Center (JGCC), and in 1998, it moved 123rd and Nall Avenue in Overland Park, Kansas, where ground broke on a 26-acre continuing care retirement community that, in 2000, became Village Shalom. The institution continues to serve the community.

Location Note

Materials in this collection are housed offsite and will need to be retrieved before viewing. Oversize materials are housed onsite.
