### **MICROFILM**

This collection is available at [The State Historical Society of Missouri](http://The State Historical Society of Missouri). If you would like more information, please contact us at [shsresearch@umsystem.edu](mailto:shsresearch@umsystem.edu).

This volume includes property valuation and taxes for Jasper County. Stephen T. Vititon certified the list.

This volume was loaned to the Western Historical Manuscript Collection for microfilming. The original volume was returned to the donor, Marvin Van Gilder of Carthage, Missouri.

Taxes are listed only for land holdings. Although there are columns for assessments of personal property and bonds or notes, this information was not filed. Assessments are noted for state, county, and military taxes. The list was certified and filed on 2 April 1864.
