

Information Sheet

R Phelps County (Mo.).
337 Hospital bond campaign leaflet, 1946.
One folder.

This collection is available at The State Historical Society of Missouri. If you would like more information, please contact us at shsresearch@umsystem.edu.

This is a leaflet promoting a bond issue for construction of a public hospital in Phelps County, Missouri. The proposition was accepted by voters in the general election of 5 November 1946. The Phelps County Memorial Hospital opened at Rolla in 1951. It is now (1988) known as the Phelps County Regional Medical Center.
