

Information Sheet

R Fort Scott Foundry and Machine Works Company.
350 Advertising pamphlet, ca. 1890.
One folder, photocopies

This collection is available at The State Historical Society of Missouri. If you would like more information, please contact us at shsresearch@umsystem.edu.

This is an illustrated pamphlet advertising the automatic ore treatment machinery produced by the Fort Scott Foundry and Machine Works. It bears testimonials from mine owners and operators throughout the United States, including the Granby Smelting & Mining Company of Granby, the Desloge Lead Company of St. Francois County, and the Hazard Dressing Mill of Mine La Motte, Missouri.
