 Two folders.

This collection is available at The State Historical Society of Missouri. If you would like more information, please contact us at shsresearch@umsystem.edu.

These are the account books of a farmer at Springfield in Greene County, Missouri. The books include itemized accounts of income and expenditure from 1 January through 1 May 1924, and estimated budgets for May 1924--February 1925. Record categories include poultry, garden and fruit, improvements, vehicles, and personal expenses.

The books seem to have been kept in connection with the University of Missouri Agricultural Extension Service's Farm Management Demonstration. The financial record book includes comments by the Field Instructor, Mitchell Wood.
