This is a certificate for five shares of stock in the Bank of Elvins, at Elvins in St. Francois County, Missouri. It was issued to Carr Hartshorn on 26 April 1911.

President W. J. Layne and Cashier C. J. Prince of the Bank of Elvins signed this certificate No. 84, which had a par value of \$100 per share. An endorsement on the reverse sign shows that Carr Hartshorn sold the stock to F. J. Heaton on 1 May 1913.
