This is a program for the Scott-Mississippi Girls Basketball Tournament, which was held at Charleston High School in Mississippi County, Missouri, on 3-6 March 1936. Teams from Anniston, Charleston, and East Prairie in Mississippi County, and Benton, Blodgett, Chaffee, Diehlstadt, Fornfelt, Illmo, Morley, Oran, Sikeston, and Vanduser in Scott County participated.

The Scott-Mississippi Girls Basketball Tournament featured 13 schools from Mississippi and Scott counties in Missouri. This program includes the playoff brackets, team rosters (except for Sikeston), and advertisements for local businesses. The brackets have been completed in pencil, with Diehlstadt and Chaffee meeting in the championship game.

The program is on a single sheet of stiff paper, folded vertically to produce front and back covers, with the bracket diagram and advertisements on the interior pages.
