These are yearbooks for 1986 and 1991 for Abou Ben Adhem Temple, a chapter of the Ancient Order of the Nobles of the Mystic Shrine (“Shriners”), at Springfield in Greene County, Missouri.

The Ancient Order of the Nobles of the Mystic Shrine is a component of Freemasonry. Its “Nobles,” or members, organized in regional Temples and local Shrine Clubs, are popularly called “Shriners.” Membership is restricted to Master Masons who have undertaken advanced degrees (Knights Templar in the York Rite and 32° and above in the Scottish Rite). Abou Ben Adhem Temple was chartered on 9 July 1903.

The hardbound 88-page annual for 1986 includes a history of the Shrine Mosque in Springfield and information concerning Shriners’ hospitals and the Shriners Burn Institute. Most of the volume is devoted to an alphabetical list of members, with thumbnail photographic portraits of the Nobles and their wives. B. J. “Bill” Edwards served as Illustrious Potentate in 1986. An every-name index is available for this volume.

The hardbound 64-page annual for 1991 includes a history of the Shrine movement, names and portraits of elected and appointed officers, names of past potentates, a section concerning Shriners’ Hospitals for Crippled Children, snapshots of units and their activities, and a lengthy section devoted to photographic portraits of members and their wives.

A program booklet for 1910, and scattered newsletters of the Abou Ben Adhem Temple, 1950-1977, have been cataloged as WHMC-Rolla collections R1023 and R827.
