This is a “souvenir booklet” for Thompson Grove School southeast of Seneca in Newton County, Missouri. It was presented by teacher Rosa Kellhofer to her pupils at the close of the school year in 1913.

Thompson Grove School was a public school located in Township 24 North, Range 34 West, Section 36, in southwestern Newton County, Missouri. In 1913 Thompson Grove School had an enrollment of 35, with the surnames Firth, Browning, Hendon, Lankford, Robinson, Beck, Lederer, and Morgan occurring at least twice. I. H. Moffet, L. A. Hendon, and W. L. Thompson comprised the school board. A small photographic portrait of teacher Rosa Kellhofer is on the cover of the booklet.

The booklet includes the names of all of the pupils and the members of the school board, along with inspirational verses and sayings.
