This is a program booklet for "The Belles of Blackville: A Blackface Minstrel," presented by the Flat River Woman's Club on 11 April 1930 at Flat River (now Park Hills) in St. Francois County, Missouri.

The Flat River Woman's Club was organized as the Mothers and Patrons Club of Flat River in March 1907. In 1923 the name of the organization was changed permanently to the Flat River Woman's Club. For microfilmed records of this organization, see WHMC-Rolla collections R070 and R206.

This minstrel show was performed at the high school auditorium on Friday evening, 11 April 1930. This 8-page booklet served as a program for the evening's entertainment, and contained many advertisements for local businesses. The names of the individual performers are not given in the program.
