This is a certificate dated 26 October 1914 for 4,000 shares of capital stock in the School House Mining Company at Joplin in Jasper County, Missouri. The firm operated a mining lease and had a plant at Carterville. The certificate was registered to A. P. Callahan and was signed by A. F. Dexter, President, and J. F. Dexter, Secretary.

According to Articles of Association filed with the Missouri Secretary of State on 9 February 1914, the School House Mining Company was capitalized at \$60,000 in 60,000 shares of stock with a par value of \$1.00 each. Most of the company's assets consisted of a mining lease in Harrison & McGregor's Addition to the town of Carterville, and associated mining plant and equipment. Stockholders were J. F. Dexter (59,996 shares), Elizabeth Dexter (one share), Harry Barnes, Jr. (one share), W. J. Owen (one share), and G. F. C. Corl (one share), all of Joplin. On 22 October 1914 the firm filed a Statement of Increase in Capital Stock, raising its capitalization from \$60,000 to \$100,000. At that time the company maintained an office at 407 Main Street in Joplin.

The School House Mining Company forfeited its corporate charter on 1 January 1920 for reason of failure to file an annual statement with the Secretary of State.
