This is "The History of Mt. Pleasant Missionary Baptist Church," located in the Otter Creek community on State Road V south of Piedmont in Wayne County, Missouri. The congregation was organized in 1820.

Mount Pleasant Missionary Baptist Church is one of the oldest continuous Baptist congregations west of the Mississippi River. In 1958 its members moved into a new building. This four-page booklet includes a brief history of the congregation, a list of pastors (1877-1975), and a list of family names of members from 1919 to 1977.
