**Historical Note:**

The War Department established Fort Leonard Wood as an army post in December 1940. It was given the designation of Fort Leonard Wood in January 1941. Construction on the post, located in Pulaski County, Missouri, concluded in June 1941. The post initially served as an infantry division training area before transitioning to the training of engineers.

**Arrangement:**

The collection has been arranged into one oversize box and consists of one item.

**Scope and Content Note:**

The collection consists of a photograph of the members of Company B, 44<sup>th</sup> Armored Infantry Battalion, stationed at Fort Leonard Wood in 1953. The picture consists of the individual portraits of 126 men and they are divided into two platoons.
