

**S0001 Academy Of Science Of St. Louis
Records, 1856-1958
62 Folders, 3 Rolls Microfilm**

MICROFILM

This collection is available at The State Historical Society of Missouri. If you would like more information, please contact us at shsresearch@umsystem.edu.

This collection is stored off site. Please allow 3-5 business days for retrieval.

Minutes of the Academy's Board of Directors and Trustees, proceedings of its council, copies of the journal, Transactions. Subjects include: American Indians, western exploratory trips, surveying, scientific studies and societies.

FOLDER LIST

BOX 1 (102406)

1. Transactions of the Academy of Science of St. Louis, Vol. I, #3, 1859
2. Transactions of the Academy of Science of St. Louis, Vol. I, #4, 1868
3. Transactions of the Academy of Science of St. Louis, Vol. II, #1, 1863
4. Transactions of the Academy of Science of St. Louis, Vol. II, 1861-1868, 1868
5. Transactions of the Academy of Science of St. Louis, Vol. II, 1861-1868, 1868
6. Transactions of the Academy of Science of St. Louis, no volume #
7. Transactions of the Academy of Science of St. Louis, Vol. III, #1, 1873
8. Transactions of the Academy of Science of St. Louis, Vol. III, #2, 1875
9. Transactions of the Academy of Science of St. Louis, Vol. III, #3, 1876
10. Transactions of the Academy of Science of St. Louis, Vol. III, #4, 1878
11. Transactions of the Academy of Science of St. Louis, Vol. IV, #2, 1882
12. Transactions of the Academy of Science of St. Louis, Vol. IV, #3, 1884
13. Transactions of the Academy of Science of St. Louis, Vol. IV, #4, 1878-1886
14. Transactions of the Academy of Science of St. Louis, Vol. V, #3 and 4, 1888-1891
15. Transactions of the Academy of Science of St. Louis, Vol. V, #3 and 4, 1888-1891

16. Transactions of the Academy of Science of St. Louis, The Opening of the Buds of Some Woody Plants, by A.S. Hitchcock, Vol. VI, #5, 1893

Transactions of the Academy of Science of St. Louis, Material for a Monograph on Inuline, by J. Christian Bay, Vol. VI, #6, 1893

Transactions of the Academy of Science of St. Louis, The Mapping of Missouri, by Arthur Winslow, assisted by C.F. Marbut, Vol. VI, #3, 1892

17. Transactions of the Academy of Science of St. Louis, Physical Basis of Precocity and Dullness, by W. Townsend Porter, Vol. VI, #7, 1893

Transactions of the Academy of Science of St. Louis, Geometrical Constructions for Cutting From a Cone of Revolutions, by Edmund Engler, Vol. VI, #8, 1893

Transactions of the Academy of Science of St. Louis, Sclerotinia Libertiana, Fuckel, with a Bibliography of Fungus Root Diseases, by L.H. Pammel, Vol. VI, #9, 1893

Transactions of the Academy of Science of St. Louis, The Relation between Growth of Children and their Deviation from the Physical type of their Sex and Age, by William Townsend Porter, Vol. VI, #10, 1893

Transactions of the Academy of Science of St. Louis, Catalogue of Reptiles and Batrachians Found in the Vicinity of St. Louis, Mo., by Julius Hurter, Vol. VI, #11, 1893

18. Transactions of the Academy of Science of St. Louis, The Growth of St. Louis Children, by William Townsend Porter, Vol. VI, #12, 1894

Transactions of the Academy of Science of St. Louis, A Study of the Relations of Salix Nigra and Salix Amygdaloids, by N.M. Glatfelter, M.D., Vol. VI, #13, 1894

19. Transactions of the Academy of Science of St. Louis, Flowers and Insects - Rosaceae and Compositae, by Charles Robertson, Vol. VI, #14, 1894

Transactions of the Academy of Science of St. Louis, The Determinations of the Latitude, Longitude and Height above sea level of the Laws Observatory of the University of the State of Missouri, containing a description of the Building and Principal Instruments, by Milton Updegraff, Vol. VI, #15, 1894

Transactions of the Academy of Science of St. Louis, Merycism Regarded in the Light of Atavic Tendency, by Edward C. Runge, Vol. VI, #16, 1894

Transactions of the Academy of Science of St. Louis, The Post-Mortem Detection and Estimation of Strychnine, by Allerton S. Cushman, Vol. VI, #17, 1894

Transactions of the Academy of Science of St. Louis, Proceedings, Vol. VI, #18

20. Transactions of the Academy of Science of St. Louis, A Study of the Unionidae of Arkansas, with reference to their distribution in the Mississippi Valley, by R. Ellsworth Call,

Vol. VII, #1, 1895

Transactions of the Academy of Science of St. Louis, On the Electrical Capacity of Bodies, and the Energy of an Electrical Charge, by Francis E. Nipher, Vol. VII, #2, 1895

Transactions of the Academy of Science of St. Louis, On the Electrical Capacity of Bodies, and the Energy of an Electrical Charge, by, Francis E. Nipher, Vol. VII, #2, 1895

Transactions of the Academy of Science of St. Louis, Note on the Glacial Drift in St. Louis, by H.A. Wheeler, E.M., Vol. VII, #3, 1895

Transactions of the Academy of Science of St. Louis, The Law of Minimum Deviation of the Light by a Prism, by Francis E. Nipher, Vol. VII, #4, 1895

21. Transactions of the Academy of Science of St. Louis, Relations of *Salix Missouriensis*, Bebb, to *S. Cordata* Muhl, by N.M. Glatfelter, M.D., Vol. VII, #5, 1896

Transactions of the Academy of Science of St. Louis, Flowers and Insects, by Charles Robertson, Vol. VII, #6, 1896

Transactions of the Academy of Science of St. Louis, On a Rotational Motion of the Cathode Disc in the Crookes Tube, by Francis E. Nipher, Vol. VII, #7, 1896

Transactions of the Academy of Science of St. Louis, At What Age do Pupils Withdraw from the Public Schools?, by C.M. Woodward, Vol. VII, #8, 1896

Transactions of the Academy of Science of St. Louis, Geometrical Constructions of the Lines of A Force proceeding from (a) Two Parallel Electrified Lines, (b) Two Electrified Points, by William H. Roever, Vol. VII, #9, 1896

Transactions of the Academy of Science of St. Louis, A Study of the Kansas Ustilagineae, Especially with regard to their Germination, by J.B.S. Norton, Vol. VII, #10, 1896

BOX 2 (102407)

22. Transactions of the Academy of Science of St. Louis, Flexure of Telescopes, by Milton Updegraff, Vol. VII, #11, 1896

Transactions of the Academy of Science of St. Louis, Geometrical Properties of the Lines of Force Proceeding from (a) A system consisting of a Electrified Plane and an Electrified Line Parallel to the Plane, (b) A system consisting of an Electrified Plane and a Electrified Point, by William H. Roever, Vol. VII, #12, 1897

Transactions of the Academy of Science of St. Louis, Results of Double Star Observations made with the Equatorial of the Morrison Observatory, Henry S. Pritchett, Vol., VII, #13, 1897

Transactions of the Academy of Science of St. Louis, North American Bees - Descriptions and Synonyms, by Charles Robertson, Vol. VII, #14, 1897

Transactions of the Academy of Science of St. Louis, Relations of the Devonian and Carboniferous in the Upper Mississippi Valley, by Charles R. Keyes, Vol. VII, #15, 1897

23. Transactions of the Academy of Science of St. Louis, Critical Notes on the Muricidae, by Frank Collin Baker, Vol. VII, #16, 1897

Transactions of the Academy of Science of St. Louis, Plants Collected in the District of Cienfuegos, Province of Santa Clara, Cuba, in 1895-96, by Robert Combs, Vol. VII, #17, 1897

24. Transactions of the Academy of Science of St. Louis, An unusual Phyto-Bezoar, by William Trelease, Vol. VII, #18, 1897

Transactions of the Academy of Science of St. Louis, A Contribution to the Herpetology of Missouri, by Julius Hurter, Vol. VII, #19, 1897

Transactions of the Academy of Science of St. Louis, Title Page, Prefatory Matter and Index, record from July 1, 1894 - Dec. 31, 1897, Vol. VII, #20, 1898

25. Transactions of the Academy of Science of St. Louis, A Method of Measuring the Pressure at any Point on a Structure due to Wind Blowing against that Structure, by Francis E. Nipher, Vol. VIII, #1, 1898

Transactions of the Academy of Science of St. Louis, The Trees of St. Louis as influenced by the Tornado of 1896, by Hermann von Schrenk, Vol. VIII, #2, 1898

Transactions of the Academy of Science of St. Louis, The Molluscan Fauna of Western New York, by Frank Collins Baker, Vol. VIII, #5, 1898

Transactions of the Academy of Science of St. Louis, Ecological Plant Geography of Kansas, by A.S. Hitchcock, Vol. VIII, #4, 1898

Transactions of the Academy of Science of St. Louis, The Molluscan Fauna of Western New York, by A.S. Hitchcock, Vol. VIII, #5, 1898

Transactions of the Academy of Science of St. Louis, The Efficiency of Gearing Under Friction, by Calvin M. Woodward, Vol. VIII, #6, 1898

26. Transactions of the Academy of Science of St. Louis, Discussion of series Dynamo-Electric Machines, by Carl Kinsley, Vol. VIII, #7, 1898

Transactions of the Academy of Science of St. Louis, The Normal of the Conic Section, by Edmund A. Engler, Vol. VIII, #8, 1898

Transactions of the Academy of Science of St. Louis, Contributions to the Fossil Flora of Florissant, Colorado, by Walter C. G. Kirchner, Vol. VIII, #9, 1898

Transactions of the Academy of Science of St. Louis, On the Mode of Dissemination of USNEA Barbata, by Hermann Von Schrenk, Vol. VIII, #10, 1898

Transactions of the Academy of Science of St. Louis, The Histology of the Caryopsis and Endosperm of Some Grasses, by L.H. Pammel, Vol. VIII, #11, 1898

Transactions of the Academy of Science of St. Louis, Title Page, Prefatory Matter and Index Record from Jan. 1 to Dec. 31, 1898, Vol. VIII, #12, 1899

27. Transactions of the Academy of Science of St. Louis, Studies on Subteranean Organs, by A.S. Hitchcock, Vol. IX, #1, 1899

Transactions of the Academy of Science of St. Louis, Kinderhook Faunal Studies, by Stuart Weller, Vol. IX, #2, 1899

Transactions of the Academy of Science of St. Louis, The Relations of Internal Pressure, Volume and Temperature of an Isolated Mass of Perfect Gas of Uniform Temperature and in Equilibrium under the Action of its Own Forces, by Calvin M. Woodward, Vol. IX, #3, 1899

Transactions of the Academy of Science of St. Louis, On Gravitation in Gaseous Nebulae, no volume #, 1899

Transactions of the Academy of Science of St. Louis, Notes on some Western Willows, by Carleton R. Ball, Vol. IX, #5, 1899

28. Transactions of the Academy of Science of St. Louis, Anatomical Characters of the Seeds of Leguminosae, Chief Genera of Gray's Manual, by L.H. Pommel, Vol. IX, #6, 1899

29. Transactions of the Academy of Science of St. Louis, On Temperatures in Gaseous Nebulae, by Francis E. Nipher Vol. IX, #7, 1899

Transactions of the Academy of Science of St. Louis, Title Page, Prefatory Matter and Index, Record from Jan. 1 - Dec. 31, 1899, Vol. IX, #9, 1900

Transactions of the Academy of Science of St. Louis, Temperature of the Sun and on Relative Ages of the Stars and Nebulae, Vy T.J.J. See, Vol. X, #1, 1900

Transactions of the Academy of Science of St. Louis, Some Illinois Bees, by Charles Robertson, Vol. X, #2, 1900

30. Transactions of the Academy of Science of St. Louis, Kinderhook Faunal Studies. II. The Fauna of the Chonopectus Sandstone at Burlington, Iowa, by Stuart Weller, Vol. X, #3, 1900

Transactions of the Academy of Science of St. Louis, Studies of Subterranean Organs. II. Some Dicotyledonous Herbaceous Plants of Manhattan, Kansas, by A.S. Hitchcock, Vol. X, #4, 1900

Transactions of the Academy of Science of St. Louis, A Severe Sleet Storm, by Hermann von Schrenk, Vol. X, #5, 1900

Transactions of the Academy of Science of St. Louis, On Certain Properties of Light Struck Photographic Plates, by Francis E. Nipher, Vol. X, No. 6, 1900

Transactions of the Academy of Science of St. Louis, The Development of Agaricocrinus, by Mary Klem, Vol. X, #7, 1900

Transactions of the Academy of Science of St. Louis, Original Contributions Concerning the Glandular Structures Appertaining to the Human Eye and Its Appendages, by Adolf Alt, M.D., Vol. X, #8, 1900

31. Transactions of the Academy of Science of St. Louis, Positive Photography, with Special Reference to Eclipse Work, by Francis E. Nipher, Vol. X, #9, 1900

Transactions of the Academy of Science of St. Louis, The Frictional Effect of Railway Trains Upon the Air, by Francis E. Nipher, Vol. X, #10, 1900

Transactions of the Academy of Science of St. Louis, Title Page Prefatory Matter and Index. Record From Jan. 1 to Dec. 31, 1900, Vol. X, #11, 1901

Transactions of the Academy of Science of St. Louis, A Revision of the Limnaeas of Northern Illinois, by Francis Collins Baker, Vol. XI, #1

32. Transactions of the Academy of Science of St. Louis, Florida Lichens, by P.H. Rolfs, Vol. XI, #2, 1901

Transactions of the Academy of Science of St. Louis, Isogonic Transformation, by T.G. Poats, Vol. XI, #3, 1901 Transactions of the Academy of Science of St. Louis, The Relation of Direct to Reversed Photographic Pictures; The Specific Heat of Gaseous Nebulae in Gravitational Contraction, by Francis E. Nipher, Vol. XI, #4, 1901

Transactions of the Academy of Science of St. Louis, The Advance of Zoology in the Nineteenth Century, by George Lefevre, Vol. XI, #5, 1901

Transactions of the Academy of Science of St. Louis, Physics During the Last Century, by Francis E. Nipher, Vol. XI, #6, 1901

Transactions of the Academy of Science of St. Louis, The Progress Made in Botany During the Nineteenth Century, by William Trelease, Vol. XI, #7, 1901

Transactions of the Academy of Science of St. Louis, Some Interesting Molluscan Monstrosities, by Francis Collins Baker, Vol. XI, #8, 1901

33. Transactions of the Academy of Science of St. Louis, Kinderhook Faunal Studies, III. The Faunas of Beds No. 3 to No. 7 at Burlington, Iowa, by Stuart Weller, Vol. XI, #9, 1901

Transactions of the Academy of Science of St. Louis, Title Page Prefatory Matter and Index. Record From Jan. 1 to Dec. 31, 1901. *Vol. XI, #11, 1902

Transactions of the Academy of Science of St. Louis, On the True Potential of the Force of Gravity, by Alexander, S. Chessin, Vol. XII, #1, 1902

Transactions of the Academy of Science of St. Louis, The Lespedexas of Missouri, by K.K.

MacKenzie and B.F. Bush, Vol. XII, #2, 1902

Transactions of the Academy of Science of St. Louis, On the Motion of Gyroscopes, Alexander S. Chessin, Vol. XII, #3, 1902

Transactions of the Academy of Science of St. Louis, Notes on Some Plants of the Southwestern United States, by J.B.S. Norton, Vol. XII, #4, 1902

34. Transactions of the Academy of Science of St. Louis, A Revision of the Elephantopae.-- I., by C.F. Baker, Vol. XII, #5, 1902

Transactions of the Academy of Science of St. Louis, The North American Species of Chaerophyllum. The North American Species of Triodia, by B.F. Bush, Vol. XII, #6, 1902

Transactions of the Academy of Science of St. Louis, New Plants From Missouri, K.K. MacKenzie and B.F. Bush, Vol. XII, #7, 1902

Transactions of the Academy of Science of St. Louis, Sclerotinia Fructigena, by J.B.S. Norton, Vol. XII, No. 8, 1902

Transactions of the Academy of Science of St. Louis, On some Relations Between Bessel Functions of the First and of the Second Kind, by Alexander S. Chessin, Vol. XII, #9, 1902

Transactions of the Academy of Science of St. Louis, Title Page Prefatory Matter and Index. Record From Jan. 1 to Dec. 31, 1902, Vol. XII, #10, 1903

35. Transactions of the Academy of Science of St. Louis, Revision of the Blastoideae, with a Proposed New Classification, and Description of New Species, Vol. XI, #4, 1903

Transactions of the Academy of Science of St. Louis, On the Predetermination of the Speed of the Trotting Horse, by Francis E. Nipher, Vol. XIII, #2, 1903

Transactions of the Academy of Science of St. Louis, Second Contribution to the Herpetology of Missouri, by Julius Herter, Vol. XIII, #3, 1903

Transactions of the Academy of Science of St. Louis, A Bird's Eye View of the Literature of Ethical Science Since the time of Charles Darwin, by Walter L. Sheldon, Vol. XIII, #4, 1903

Transactions of the Academy of Science of St. Louis, The Law of Contraction of Gaseous Nebulae, Francis E. Nipher, Vol. XIII, #5, 1903

Transactions of the Academy of Science of St. Louis, A New Method for the Determination of Free Lime, and on So-called Dead Burnt Lime, Edward H. Keiser, and S.W. Forder, Vol. XIII, #6, 1903

36. Transactions of the Academy of Science of St. Louis, A New Genus of Grasses, B.F. Bush, Vol. XIII, #7, 1903

Transactions of the Academy of Science of St. Louis, Polygamy and Certain Floral

Abnormalities in Solanum. The Germination of Pachira, with a Note on the Names of Two Species, by J. Arthur Harris, Vol. XIII, #8, 1903

Transactions of the Academy of Science of St. Louis, Title Page Prefatory Matter and Index. Record from Jan. 1 to Dec. 31, 1903, Vol. XIII, #9, 1904

Transactions of the Academy of Science of St. Louis, A Revision of the Palaeozoic Palaeochinoidea, with a Synopsis of all known species, by Mary J. Klem, Vol. XIV, #1, 1904

37. Transactions of the Academy of Science of St. Louis, The Molluscan Fauna of the Dells of Wisconsin, by Frank Collins Baker, Vol. XIV, #2, 1904

Transactions of the Academy of Science of St. Louis, Notes of Planorbis Truncatus Miles, by Frank Collins Baker, Vol. XIV, #3, 1904

Transactions of the Academy of Science of St. Louis, Primitive Conditions in the Solar Nebula, by Francis E. Nipher, Vol. XIV, #4, 1904

Transactions of the Academy of Science of St. Louis, Notes of the Pleurotomidae with Description of some new Genera and Species, by Thos. L. Casey, Vol. XIV, #5, 1904

Transactions of the Academy of Science of St. Louis, The Genus Othake Raf, by B.F. Bush, Vol. XIV, #6, 1904

Transactions of the Academy of Science of St. Louis, The Texas Tradescantias, by B.F. Bush, Vol. XIV, #7, 1904

Transactions of the Academy of Science of St. Louis, Title Page, Prefatory Matter and Index, Record From Jan. 1 to Dec. 31, 1904, Vol. XIV, #8, 1905

Transactions of the Academy of Science of St. Louis, Our Present Knowledge of Ancient Plants, by L. Wittmack, Vol. XV, #1, 1905

BOX 3 (102408)

38. Transactions of the Academy of Science of St. Louis, A Revision of the American Paederini, by Thos. L. Casey, Vol. XV, #2, 1905

39. Transactions of the Academy of Science of St. Louis, The Molluscan Fauna of McGregor, by Francis Collins Baker, Iowa, Vol. XV, #3, 1905

Transactions of the Academy of Science of St. Louis, Paraphorhynchus a new Genus of Kinderhook Brachiopoda, by Stuart Weller, Vol. XV, #4, 1905

Transactions of the Academy of Science of St. Louis, The Bacteriological Examination of River Water, by Walter C.G. Kirchner, Vol. XV, #5, 1905

Transactions of the Academy of Science of St. Louis, Title Page Prefatory Matter and Index Record, From Jan. 1 to Dec. 31, 1905, Vol. XV, #6, 1906

40. Transactions of the Academy of Science of St. Louis, Celebration of the Fiftieth Anniversary of the First Meeting, Vol. XVI, #1, 1906

Transactions of the Academy of Science of St. Louis, Notes of a Collection of Mollusks from the Vicinity of Alpena, Michigan, by Francis Collins Baker, Vol. XVI, #2, 1906

Transactions of the Academy of Science of St. Louis, On Pressure Measurements in a Fluid Stream, by Francis E. Nipher, Vol. XVI, #3, 1906

Transactions of the Academy of Science of St. Louis, Preliminary List of Higher Fungi Collected in the Vicinity of St. Louis, MO., from 1898 to 1905, by N.M. Glatfelter, Vol. XVI, #4, 1906

Transactions of the Academy of Science of St. Louis, The Nasal Skeleton of *Amblystoma Punctatum* (Linn.) with Plates II, III, IV, V., by Robert J. Terry, Vol. XVI, #5, 1906

41. Transactions of the Academy of Science of St. Louis, Observations on the Stahylinid Groups Aleocharinae and Xantholinini, Chiefly of America, by Thos. L. Casey, Vol. XVI, #6, 1906

42. Transactions of the Academy of Science of St. Louis, Kinderhook Faunal Studies. IV. The Fauna of the Glen Park Limestone, by Stuart Weller, Vol. XVI, #7, 1906

Transactions of the Academy of Science of St. Louis, The Relation of Certain Marine Algae to Various Salt Solutions, by B.M. Duggar, Vol. XVI, #8, 1906

Transactions of the Academy of Science of St. Louis, Title Page, Prefatory Matter and Index, Record From Jan. 1 to Dec. 31, 1906, Vol. XVI, #9, 1907

Transactions of the Academy of Science of St. Louis, Title Page Prefatory Matter and Index, Record From Jan. 1 to Dec. 31, 1906, Vol. XVI, #9, 1907

43 Transactions of the Academy of Science of St. Louis, A Preliminary Catalog of the Birds of Missouri, by Otto Widmann, Vol. XVII, #1, 1907

44. Transactions of the Academy of Science of St. Louis, Title Page Prefatory Matter and Index, Records from Jan. 1 to Dec. 31, 1907. Vol. XVII, #2, 1908

Transactions of the Academy of Science of St. Louis, Airship Propeller Problems, by Calvin M. Woodward, Vol. XVIII, #1, 1908

Transactions of the Academy of Science of St. Louis, The Amphibians and Reptiles of Arkansas, by Julius Hurter and John K. Streker, Jr. Vol. XVII, #2, 1909

Transactions of the Academy of Science of St. Louis, The Mexican Fiber Agaves Known as Zapupe, by William Trelease Vol. XVIII, #3, 1909

Transactions of the Academy of Science of St. Louis, The Fauna of the Residuary Auburn Chert of Lincoln County, Missouri, by E.B. Branson, Vol. XVIII, #4, 1909

Transactions of the Academy of Science of St. Louis, New North American Acarina, by H.E. Ewing, Vol. XVIII, No. 5, 1909

Transactions of the Academy of Science of St. Louis, Title Page Prefatory Matter and Index, Record from Jan. 1, 1908, to Dec. 31, 1909, Vol. XVIII, #6, 1910

45. Transactions of the Academy of Science of St. Louis, On the Nature of the Electric Discharge. The One-Fluid and the Two-Fluid Theories, by Francis E. Nipher, Vol. XIX, #1, 1910 Transactions of the Academy of Science of St. Louis, Observations on the Duration of Life, on Copulation, and on Oviposition in *Samia Ceropia*, Linn., by Philip Rau, Vol. XIX, #2, 1910

Transactions of the Academy of Science of St. Louis, Hail Injury on Forest Trees, by Frank J. Phillips, Vol. XIX, #3, 1910

Transactions of the Academy of Science of St. Louis, On the Nature of the Electric Discharge. The One-Fluid and the Two-Fluid Theories, by Francis E. Nipher, Vol. XIX, #4, 1910

Transactions of the Academy of Science of St. Louis, Studies in North American Batrachology. Notes on the Robber Frog (*Lithodytes Latrans* Cope). by John K. Strecker Jr., Vol. XIX, #5, 1910

Transactions of the Academy of Science of St. Louis, On the Histology of the Eye of *Typhlotriton Spelaeus* from Marble Cave, Mo., by Adolf Alt, Vol. XIX, #6, 1910

Transactions of the Academy of Science of St. Louis, New Acrina from India, by H.E. Ewing, Vol. XIX, #8, 1910

Transactions of the Academy of Science of St. Louis, The Guadalupan Series: And the Relations of its Discovery to the Existence of a Permian Section in Missouri.

Transactions of the Academy of Science of St. Louis, Abundance of Meteorites on the Painted Desert: And its Bearing upon the Plane-Tesimal Hypothesis of the Origin of the Earth. by Charles R. Keyes, Vol. XIX, No. 9, 1910

46. Transactions of the Academy of Science of St. Louis, Ecological Notes on the Gladocera and Copepoda of Augusta, Georgia, with Descriptions of New or Little Known Species. by C.H. Turner, Vol. XIX, #10, 1910

Transactions of the Academy of Science of St. Louis, Title Page Prefatory Matter and Index. Record from Jan. 1, 1910, to Dec. 31, 1910, Vol. XIX, #11, 1911

Transactions of the Academy of Science of St. Louis, Nature of the Electric Discharge, by Francis E. Nipher, Vol. XX, #1, 1911

Transactions of the Academy of Science of St. Louis, Four New Plants from Mexico, by Charles Henry Thompson, Vol. XX, #2, 1911 Transactions of the Academy of Science of St. Louis, Studies in Glacial Geology in Saint Louis and Vicinity, by J. Andrew Drushel, Vol.

XX, #3, 1911

Transactions of the Academy of Science of St. Louis, Figurate Numbers, by Edmund A. Engler, Vol. XX, #4, 1911

47. Transactions of the Academy of Science of St. Louis, Sexual Selection Experiments in the Cecropia Moth. Further Observations on Copulation and Oviposition in *Samia Cecropia* Linn., by Philip Rau, Vol. XX, #6, 1911

Transactions of the Academy of Science of St. Louis, Title Page Prefatory Matter and Index, Record from Jan. 1, 1911, to Dec. 31, 1911, Vol. XX, #7, 1912

Transactions of the Academy of Science of St. Louis, The Origin and Significance of Parasitism in the Acarina, by Henry Ellsworth Ewing, Vol. XXI, #1, 1912

Transactions of the Academy of Science of St. Louis, The Annual Rainfall and Temperature of the United States, by George A. Lindsay, Vol. XXI, #2, 1912

Transactions of the Academy of Science of St. Louis, The Nature of Electrical Discharge - Positive Column Effects in a Metal Conductor, by Francis E. Nipher, Vol. XXI, #3, 1912

48. Transactions of the Academy of Science of St. Louis, Title Page Prefatory Matter and Index, Record from Jan. 1, 1912, to Dec. 1912, Vol. XXI, #4, 1913

Transactions of the Academy of Science of St. Louis, The Biology of *Stagmomantis Carolina*, by Philip Rau and Nellie Rau, Vol. XXII, #1, 1913

Transactions of the Academy of Science of St. Louis, Local Magnetic Storms, by Francis E. Nipher, Vol. XXII, #2, 1913

Transactions of the Academy of Science of St. Louis, A Preliminary List of the Mollusca of Missouri (Exclusive of the Unionidae), by F.A. Sampson, Vol. XXII, #3, 1913

Transactions of the Academy of Science of St. Louis, The Flowers of *Diospyros Kaki* L.F., by H. Harold Hume, Vol. XXII, #5, 1913

49. Transactions of the Academy of Science of St. Louis, Title Page, Prefatory Matter and Index, Record from Jan. 1, 1913, to Dec. 31, 1913, Vol. XXII, #6, 1914

Transactions of the Academy of Science of St. Louis, Vol. XXIII, January 1914 to February 1920

Transactions of the Academy of Science of St. Louis, Longevity in Saturniid Moths and Its Relation to the Function of Reproduction, by Philip Rau and Nettie Rau, Vol. XXIII, #1, 1914

Transactions of the Academy of Science of St. Louis, The Agaveae of Guatemala, by William Trelease, Vol. XXIII, #3, 1915

50. Transactions of the Academy of Science of St. Louis, Gravitational Repulsion, by Francis E. Nipher, Vol. XXIII, #5, 1917

Transactions of the Academy of Science of St. Louis, Disturbances Impressed Upon the Earth's Magnetic Field. Gravitation and Electrical Action, by Francis E. Nipher, Vol. XXIII, #4, 1916

Transactions of the Academy of Science of St. Louis, Graphical Algebra Involving Functions of the Nth Degree, by Francis E. Nipher, Vol. XXIII, #6, 1918

Transactions of the Academy of Science of St. Louis, Table of Contents and Price List, Vol. XXIV, #1, 1921

Transactions of the Academy of Science of St. Louis, Ecological Studies of the Entomostraca of the St. Louis District, Part I, Diaptomus Pseudosanguineus SP. Nov. and a Preliminary list of the Copepoda and Cladocera of the St. Louis District, C.H. Turner, Vol. XXIV, #2, 1921

Transactions of the Academy of Science of St. Louis, Bufo Fowleri Putnam in Missouri, by C.H. Danforth, Vol. XXIV, #3, 1921

51. Transactions of the Academy of Science of St. Louis, Do We Hear Sound? by Augustus G. Pohlman Vol. XXIV, #5, 1922

Transactions of the Academy of Science of St. Louis, Development of the Chemical Industry in the Last Hundred Years, by F.W. Frerichs, Vol. XXIV, #6, 1922

Transactions of the Academy of Science of St. Louis, Ecological and Behavior Notes on Missouri Insects, by Philip Rau, Vol. XXIV, #7, 1922

Transactions of the Academy of Science of St. Louis, Ecological and Behavior Notes on Missouri Insects, by Philip Rau, Vol. XXIV, #7, 1922

Transactions of the Academy of Science of St. Louis, Extracts from the Diary of Otto Widmann: Nesting Habits of the Purple Martin; How Young Birds are Fed; Where the Martins Roost; The Crows' Winter Roost at St. Louis; Our Birds in Winter; Chaetura Pelagica (Linn.) Chemney Swift; Biard of the Ozarks; Reminiscences of a Visit to Branson and White River, Spring of 1906, Vol. XXIV, #8, 1922

BOX 4 (102409)

52. Transactions of the Academy of Science of St. Louis, Title Page and Index March 1920 to December 1923, Charles Henry Turner (Special Issue) Vol. XXIV, #9, 1923

Transactions of the Academy of Science of St. Louis, Three New Species of Tereido, by W. F. Clapp, Vol. XXV, #1, 1924

Transactions of the Academy of Science of St. Louis, Medical Fads and Fancies, by R. Walter Mills, Vol. XXV, #2, 1924

Transactions of the Academy of Science of St. Louis, The Natural History Museum Movement in St. Louis, by Augustus G. Pohlman, Vol. XXV, #3, 1924

Transactions of the Academy of Science of St. Louis, The Biology of the Roach, *Blatta Orientalis* Linn., by Philip Rau, Vol. XXV, #4, 1924 Transactions of the Academy of Science of St. Louis, Notes on the Stenomorphic Form of the Shipworm, by W.F. Clapp, Vol. XXV, #5, 1925

53. Transactions of the Academy of Science of St. Louis, The Ecology of a Sheltered Clay Bank; A Study in Insect Sociology, by Philip Rau, Vol. XXV, #7, 1926

Transactions of the Academy of Science of St. Louis, Supplement to the Catalogue of Arkansas Plants, by J.T. Buchholz and E.J. Palmer, Vol. XXV, #6, 1926

Transactions of the Academy of Science of St. Louis, Florida Flowers and Insects, by Charles Robertson, Vol. XXV, #8, 1927

54. Transactions of the Academy of Science of St. Louis, Field Studies in the Behavior of the Non-Social Wasps, by Philip Rau, Vol. XXV, #9, 1928

55. Transactions of the Academy of Science of St. Louis, The Lizards of Kansas, by Charles E. Burt, Vol. XXVI, #1, 1928

Transactions of the Academy of Science of St. Louis, The Sex Attraction and Rhythmic Periodicity in Giant Saturniid Moths, by Philip Rau and Nettie L. Rau Vol. XXVI, #2, 1929

56. Transactions of the Academy of Science of St. Louis, The Prairie Horned Lark, by Gayle B. Pickwell, Vol. XXVII, 1931

57. Transactions of the Academy of Science of St. Louis, The Prairie Horned Lark, by Gayle B. Pickwell, Vol. XXVII, 1931

58. Transactions of the Academy of Science of St. Louis, A Preliminary Check List of the Lizards of South America, by Charles E. Burt and May Danheim Burt, Vol. XXVIII, #'s 1 and 2, 1933

An Aurora Observed in Missouri and Its Connection With Solar Activity, by Stuart L. O'Byrne,

Transactions of the Academy of Science of St. Louis, Bibliographic Index of North American Species of the Eublastoidea, by Darling K. Greger Vol. XXVIII, #'s 3 & 4, 1934 Transactions of the Academy of Science of St. Louis, An Annotated List of the Amphibians and Reptiles of Jefferson County, Missouri, by Dorothy A. Boyer and Albert A. Heinze

Transactions of the Academy of Science of St. Louis, Notes on the Behavior of Certain Ants of St. Louis County, Mo., by Philip Rau, Vol. XXVIII, #'s 5, 6, 7,

Notes on the Behavior of Certain Solitary and Social Bees, by Philip Rau

Observations on the Life History of the "Baltimore Check-Spot" Butterfly, *Euphydryas phaeton*, by Harold I. O'Byrne, 1934

Transactions of the Academy of Science of St. Louis, Biologic Investigations on the Staphylinidae (Coleoptera), Vol. XXVIII, #8, 1934

59. Transactions of the Academy of Science of St. Louis, Natural History of the Alligator Lizard, by Henry S. Fitch, Vol. XXIX, #1, 1935

Transactions of the Academy of Science of St. Louis, Atrypae of the Central Missouri Devonian, by D.K. Greger, Vol. XXIC, #2, 1936

Transactions of the Academy of Science of St. Louis, Outline of a Theory of Functions of an Abstract Variable, by Solomon Bilinsky, Vol. XXIX, #3, 1936

Transactions of the Academy of Science of St. Louis, Geological Aspects of Evolution, by Victor T. Allen, Vol. XXIX, #4, 1937
