

S0171 Von Romer, Harry (1906-)
Autobiography
104 Pages, Hand Written

This collection is available at The State Historical Society of Missouri. If you would like more information, please contact us at shsresearch@umsystem.edu.

Personal reminiscences of St. Louis laborer and union organizer. During the depression Von Romer worked to organize the auto industry, in particular the Fisher Body Plant. The autobiography describes St. Louis daily life among the working class in the 1910s and 1920s, working conditions during the depression, and the organizing efforts, parades and other and other activities of local labor unions. Typewritten copy also available.
