The Click, James Weldon (1917-1988), Addenda, 1933-1963, covers the same period as the Click papers (S0507.) The addenda is larger, however, and contains more thorough documentation of Click's effort to rid United Electrical, Radio and Machine Workers of America Local 1102 of Communist influence, including House Committee on Un-American Activities Reports. The addenda also contains labor agreements between many local unions and businesses; the Grievance Files Mr. Click investigated as UERMWA chief steward; company and union publications; and more material on the dispute between Click and IUERMWA president James Carey in 1963.
