

## **S0512 Communications Class Oral History Project, 1987-1991**

### **116 Tapes**

This collection is available at [The State Historical Society of Missouri](http://The State Historical Society of Missouri). If you would like more information, please contact us at [shsresearch@umsystem.edu](mailto:shsresearch@umsystem.edu).

The Communications Class Collection consists of 11 oral histories with various individuals. This project was part of the class assignment in Elizabeth Kizer's interviewing class, Communications 242. The topics emphasize St. Louis and vary according to the interviewer's interest. The tapes were donated from September 20, 1990 to December 3, 1990. On August 10, 1991 eighteen additional tapes were added to the collection. An additional 13 tapes were added on June 1, 1992. An additional five tapes were included on November 3, 1992.
