Doris Wheeler graduated from Washington University with a degree in botany. She got her masters in plant physiology from Radcliffe. She served as Regional Educational Director for the International Ladies Garment Workers Union from 1935 to 1971. After her retirement she got involved with the Reform Organization of Welfare. She and Maurice were also involved in the Compton Heights Neighborhood Association and Democratic politics.

Maurice was born in Japan and came to the United States when he was 15. He moved to St. Louis and helped to organize the Socialist Party in 1941. Wheeler ran for Governor of Missouri on the Socialist ticket in 1952.

Maurice served on the St. Louis Planning Commission from 1960-1967 as a representative of the labor movement. He was the first chairman of the Eighth Ward Independent Democrats. He was a design draftsman at Barry-Wehmiller Machinery Co. for 30 years. He retired in 1971. In retirement he served for 15 years as a fundraiser for the Reform Organization of Welfare. He was a member of the Compton Heights board of directors from 1986-1988. Wheeler was an organizer for the American Federation of Teachers and a founder of Local 23 of the American Federation of Technical Engineers.
