Membership Lists Addendum, 1916-2000
816 Folders**

This collection is available at The State Historical Society of Missouri. If you would like more information, please contact us at sbsresearch@umsystem.edu.

This collection is stored off site. Please allow 3-5 business days for retrieval.

The Addendum to the Records of the Engineers' Club of St. Louis was donated to WHMC by Kurt Krispin on October 21, 2002.

SCOPE AND CONTENT

The Addendum contains membership folders of inactive members dating from 1916 through 2000. The accession also contained some duplicate journals, but they were removed. The original collection (S0621) contains journals of the club, some membership files, photographs, a microfilm of books written about the Eads Bridge, and a book on engineering data for St. Louis.

SERIES DESCRIPTION

Series contains eight boxes of membership lists, totaling 816 files arranged alphabetically by last name.
