

**S0736 Wileman, Hershel
Papers, 1945-1952
10 Folders, 2 Photographs**

This collection is available at The State Historical Society of Missouri. If you would like more information, please contact us at sbsresearch@umsystem.edu.

During the late 1940s, Hershel Wileman served as the President of United Gas, Coke and Chemical Workers of America-Local #476. He worked for the Mercury Record Corporation in St. Louis, MO. The collection includes labor agreements, CIO newspapers, union literature, correspondence, wage rates and job classifications. Correspondence includes some discussion of communism, fascism, and racism.
