

S0832 Video Collection

1 Box, Open Collection

This collection is available at The State Historical Society of Missouri. If you would like more information, please contact us at shsresearch@umsystem.edu.

PROVENANCE

The Video Collection is comprised of many different accessions. Provenance records for individual recordings can be provided upon request.

HISTORY

This is an ongoing collection of video materials that reflect different individual histories.

SCOPE AND CONTENT

The Video collection contains visual material that does not belong to any individual WHMC collection. It consists of VHS tapes, DVDs and other video formats of recordings pertaining to St. Louis history. Some of the newer recordings are of oral histories conducted by WHMC staff.

COPYRIGHT AND RESTRICTIONS

Vary per program.
