HISTORY

NAHA was organized in 1974 to provide a forum and vehicle for all the municipalities located within the Normandy School District. NAHA coordinates plans and programs of action aimed at resolving common or area-wide problems including those of stabilizing communities. It also works to increase historical awareness among Normandy residents by holding annual *Fetes de Normandie* and collecting historical materials on the area. Records of the NAHA and historical material on the Normandy area, including photographs, correspondence, programs, yearbooks & histories. Material on Hunt family, Hunt House, Normandy residences, schools, businesses, churches, & cemeteries.
