

**SA681 WOERMANN CONSTRUCTION, ARCHITECTURAL DRAWINGS AND RECORDS,
1916-1979**

Woermann Construction was involved with design and construction of many buildings in St. Louis and surrounding areas.

An internal spreadsheet with architect and building information is available at the SHS St. Louis Research Center. The majority of the 1236 records are from Woermann Construction. Please address all inquiries about individual architects and buildings to SHS-St. Louis.
