The Adult Education Council provides information to adult students and professional adult educators of Greater St. Louis through a telephone referral service, Adult Educational Resource Directory, bi-monthly and conference programming. Membership is available to all interested individuals and institutions.

Through the Telephone Referral Service, information is available to all adult students in metropolitan St. Louis on educational opportunities offered through community colleges, universities, adult basic education programs, YWCA, local city services, private proprietary schools and counseling/consulting services.

The Adult Education Council serves as a clearinghouse for current research, program offerings and adult education activity in Greater St. Louis. It is organized with a volunteer board and it is an Arts and Education Council Member Agency. Memberships and tax-deductible contributions help to underwrite the cost of the community service information and referral telephone line.
